

QUALITY POLICY STATEMENT

It is the aim of **EXPRESS ENGINEERING GROUP** to provide leading precision engineering and technological welding solutions by investing in technology, facilities, processes, and strategies that enable the supply of quality products for Key Customers that fully comply with customer, statutory, and regulatory requirements.

The company continuously strives for recognition as a "SUSTAINABLE WORLD CLASS COMPANY" by investing in the training and development of our employees and maintaining a total quality culture.

It is Company Policy to have management systems that comply with the requirements of BS EN ISO 9001:2015, and ISO 3834-2:2005, and to include all processes and all employees in the pursuit of quality to meet and exceed the needs of the business and our objectives.

All employees are required to comply with the quality policy, systems, and procedures and contribute to the effective working and continuous improvement of the Quality Management Systems.

The Quality Policy, and the objectives are reviewed for suitability at annual Quality Management Review meetings.
